

ENGL 503 | TOPICAL PRESENTATION RUBRIC

Your presentation, worth 10% of your grade in the course, is marked out of 10 points. Each of the four criteria have equal weight.

Name:	Yes = 2.5%	Sort of = 1.5%	Not really = 0.5%
The presentation was a thoughtful and specific argument (one that could have a counter-argument), not just a general topic for discussion.			
The presentation engaged with the assigned text or section in detail, quoting it and doing close readings at least twice.			
The presentation was organized, clear, and succinct; you met your format's time limit. If visual materials (<i>not required</i>) were used, you followed the PechaKucha rules. You posed effective discussion questions at the end.			
The presentation addressed the key ideas and questions raised in your summary, or clearly justified your departure from them.
